

VISITOR POLICY

Masks are encouraged regardless of your vaccination status.

MED/SURG & ICU

Each patient is allowed two visitors at a time. These can be different people each day. Visiting hours are 10 am to 7 pm.

BIRTHING CENTER

Each patient is allowed two adult visitors at a time. Siblings are welcome.

- One designated birthing coach/doula is allowed in the patient's labor and delivery room to support the care of the mother in addition to two visitors.

BEHAVIORAL HEALTH UNITS

- Visitation is by appointment only during designated times.

OUTPATIENT CLINICS

- Two visitors are allowed at one time for each patient.
- Can be present if procedure is before or after visiting hours.

ALL PATIENTS & VISITORS ARE ENCOURAGED TO:

- Be free of any signs of illness. Please stay home if you don't feel well.
- Wash hands frequently.
- Wear a mask if you are immunocompromised or have upper respiratory symptoms.

Please help us protect our patients and staff.
