Broadlawns Medical Center

Caring for Our Community. Caring for you!

Did You Know?

This week is Cover the Uninsured Week. All over the country awareness is being raised regarding the issue of uninsured children. In Iowa, uninsured children can enroll in the Healthy and Well Kids in Iowa (hawk-I) program, which is part of the State Children's Health Insurance Program (SCHIP).

At Broadlawns Medical Center, 80% of the children that are seen in our Pediatric Clinic are enrolled in hawk-i. Ensuring the federal government continues to fund the SCHIP program is key to Broadlawns Medical Center assisting with the overall healthcare of the children we treat so they can enjoy a happy childhood.

This is a Fact of Life!
