DAHL'S FOOD STORES HELPS RAISE MONEY AND AWARENESS FOR THE BROADLAWNS MEDICAL CENTER FOUNDATION

DES MOINES, IA, TUESDAY, APRIL 04, 2006: April is Family Health Month at Broadlawns Medical Center. Dahl's Food Stores has offered to help raise public awareness of Broadlawns, and encourage their customers to contribute to Polk County's safety-net hospital. All month long, Dahl's shoppers will have the opportunity to donate \$1 at check-out that will go toward the purchase of a new birthing bed at Broadlawns.

On Saturday, April 8, members of the Broadlawns Trustees and Foundation Board, together with physicians and employees, will be present in six area Dahl's stores from 11:00 a.m. – 3:00 p.m. answering questions about Broadlawns, offering wellness tips and free tattoos for the kids, and more.

“The best way we have found to share the Broadlawns story with members of our community is face-to-face,” said Rita Ullestad of the Broadlawns Medical Center Foundation. “Dahl's supports our mission of caring for our community and has offered to help. We are very excited and grateful for this partnership.”

Vouchers for \$1 will be available at all area Dahl's stores during the month of April. These vouchers can be scanned at the register to add \$1 to a customer's total.

For more information on how you can make an impact at Broadlawns, contact the Broadlawns Medical Center Foundation at 282-3200.
