

DAISY Award Nomination for Doris Weber, RN—Outpatient Specialty Clinic

“I believe Doris is the quintessential embodiment of what a nurse should be. I am proud to serve our patient at BMC.

Doris is always smiling and dresses professionally—including her nurse’s cap and white uniform.

Every time I see her in any clinic situation, she is always posed, professional, kind and competent. She is happy to go wherever needed.

Doris is a rare gem and we are lucky to have her return to us after retirement. Her dedication to BMC is wonderful.
