

06/01/2023

Dear Broadlawns Endocrinology Patient,

On August 31st 2023 Dr. Kabadi will retire as the sole Endocrinologist at Broadlawns Medical Center. Effective September 1st, 2023, Broadlawns Endocrinology services will be limited to Type 1 Diabetes, Type 2 Diabetes, and Gestational Diabetes. Your continued care will need to be transitioned to another provider until we hire a replacement, and we apologize for any inconvenience that this transition may cause.

Our Endocrinology Clinic staff is available to assist you with questions and may be contacted at (515) 282-3041, Monday to Friday 8am to 4pm.

Please contact your Primary Care Provider to determine proper continuation of your Endocrinology needs such as:

- Hyper/Hypothyroidism
- Lipid Disorders
- Adrenal Disorders
- Calcium Disorders
- Endocrine Hypertension
- Gonadal Disorders
- Menopause/PCOS
- Metabolic Disorders
- Pituitary Disorders
- Testosterone Management

Below are options for consideration with your Provider.

MercyOne Des Moines Diabetes and Endocrinology Care
411 Laurel St, Suite 3262, Des Moines, IA, 50314
515-643-5100

UnityPoint Clinic Endocrinology (for established UnityPoint patients)
1221 Pleasant Street, Suite 200, Des Moines, IA, 50309
515-241-6886

McFarland Endocrinology
1015 Duff Avenue, Ames, IA, 50010
515-239-4440

If you would like to have your medical records sent to a new provider, please get in touch with the Broadlawns Medical Records office at **(515) 282-2482**. The Broadlawns Medical Records office is open Monday through Friday from 8am to 4pm. Emails related to medical records may be sent to: him@broadlawns.org.

Warmest Regards,
Broadlawns Endocrinology Clinic
