POLICY ON RESIDENT RECRUITMENT AND APPOINTMENT

I. Purpose

This policy establishes guidelines governing resident recruitment and appointment to the Broadlawns UnityPoint Psychiatry Residency Program.

II. Procedures

A. Applicants with one of the following qualifications are eligible for appointment to Broadlawns UnityPoint Psychiatry Residency Programs:

1. Graduates of medical schools in the United States and Canada accredited by the Liaison Committee on Medical Education.
3. Graduates of medical schools outside the United States and Canada who meet one of the following qualifications:
   a. Have received a currently valid certificate from the Educational Commission for Foreign Medical Graduates or,
   b. Have a full and unrestricted license to practice medicine in a U.S. licensing jurisdiction.

B. The residency program will select from among eligible applicants on the basis of residency program-specific criteria such as their preparedness, ability, aptitude, academic credentials, communication skills, and personal qualities such as motivation and integrity. The residency program will not discriminate with regard to sex, race, age, religion, color, national origin, disability, or any other applicable legally protected status.

C. The residency program will participate in the National Resident Matching Program in the selection of qualified applicants. After the SOAP process is completed and the match results are announced, residency positions left vacant may be filled by appropriately qualified applicants outside of any organized matching service.

D. Non-eligible applicants will not be selected into the Broadlawns UnityPoint Psychiatry Residency Program.

E. The residency program may establish additional selection criteria such as United States Medical Licensing Exam (USMLE) scores, class rank, performance in personal interviews, etc. to identify highly qualified applicants.

F. The DIO will review the NRMP Match results annually.
